

# Mal The food Company

## Cookies High Fiber application

We whipped up a one-of-a-kind recipe featuring FIBER 85%, a top-secret blend of Fructooligosaccharides and Natural Fruit Extracts, to deliver that sweet punch. Introducing our **High Fiber Cookies**, maintaining that ideal texture and flavor.

INGREDIENTS **85%**

Concentrated Fiber Plus 85 (fructooligosaccharide syrup), Wheat flour 43,2 %, palm fat, cocoa mass, cocoa butter, raising agents (ammonium carbonates, sodium carbonates, calcium phosphates), dextrose, glucose and fructose syrup, salt, whey powder, emulsifiers (soya lecithins, sunflower lecithins), flavouring.
