

Mal The food Company

Juice High Fiber application

We have developed a enriched drink with 85% fiber, a harmonious fusion of captivating components such as Fructooligosaccharides and Essence of Nature's Fruits, infusing it with a delightful sweetness.

This creation presents a **high fiber drink** that delivers a unique blend of texture and taste, setting a standard that stands unmatched.

INGREDIENTS **85%**

Concentrated Fiber Plus 85 (fructooligosaccharide syrup), Orange juice from concentrate (54%), Water, Orange pulp (6%) and Vitamin C.
